

To get you started, here's a list of useful websites. Please note this is not a comprehensive list:

Organisation	Website	Notes
The Conservation Volunteers (TCV)	Free Trees for Communities Across the UK	Applications for free trees have now closed, but the website offers descriptions of their tree packs which might be a useful guide to help someone decide what to plant, along with useful information on planting and aftercare for young trees or whips. Video: How to plant a tree: https://youtu.be/HtYd8cMWAUQ Video: How to look after new trees: https://youtu.be/p_DEiCppKel
The Woodland Trust	Tree Planting Advice - Plant Trees - Woodland Trust	There is information about native trees and hedging and useful advice on: - Which species to plant - Where to plant - How to plant a tree - How to care for your trees They also have an online shop which sells trees*
The Tree Council	Guidance Hub - The Tree Council	Tips, guidance and toolkits to help you care for trees and hedgerows.
The Orchard Project	The Orchard Project - Bringing orchards into the heart of urban communities	A national charity dedicated to creating, maintaining and celebrating community orchards. A useful source of information and advice for anyone thinking about creating a community orchard.
Sheffield Fruit Trees	Sheffield Fruit Trees	Sheffield Fruit Trees are a social enterprise tree nursery cultivating fruit trees and perennial edible plants. They also provide education and orchard design services for community groups, individuals and businesses.
Sheffield Street Tree Partnership	Home - Sheffield Street Tree Partnership	Sheffield Street Tree Partnership was established in 2019. Their goal and purpose is to promote and enhance Sheffield's street trees.

*Trees are also available through from numerous local nurseries (please look out for trees with the UKISG label where possible)
